Triple Direction Ultrasonic

Along with full circulation and an onboard filtration system, Twister's Triple Direction UltraClean technology will ensure that your parts will be cleaned from every angle.

Clean With Just A Simple Touch

Crafted with 304 Stainless Steel inside and out and outfitted with a 7" Siemens touch screen panel, cleaning has never been this easy.

With Room To Spare

With a maximum 125 G (470 L) tank capacity you can fit up to five T2 Tumblers or drop in 1 full T4 Trimmer! It doesn't stop there, drop in hoses or the Trim Saver Cyclone. So easy, you will want to clean everything!

Decrease Labour Cost

Spend less time cleaning and more time trimming. Adding a Twister UltraClean to your T2 and T4 Systems and keep harvest moving.
