

TWISTER T6 TRIMMER

EUROPEAN MODEL

DETAILS MATTER.

Specifically designed and engineered for your home or small grow, the Twister T6 is everything you ever wanted in a small machine trimmer.

Designed and engineered with the highest grade materials available, including high-performance ballistic-grade plastics, high-grade anodized alloy aluminum, and 304 stainless steel used throughout. The result is quite possibly the highest grade, most durable, easiest to use, easiest to clean, small-capacity trimmers ever made!
