

TWISTER T2 TRIMMER

EUROPEAN MODEL

DETAILS MATTER.

The newest Twister T2 was designed from the ground up to exceed the stringent safety demands of medical cannabis and hemp facilities. Along with the 304 Stainless Steel Tumbler, Nitrided Steel Blades and Pressure Washable Electrical and Motors, the newly added E-stop, interlocked Tumbler guard and fully enclosed End Guards will allow the T2 to pass any safety inspection.

It's transportable, watertight design can deliver heavyweight results in any sized medical cannabis or hemp production.
