Equipped with a powerful motor, the Twister T2 allows for continuous duty operation and ultimate reliability in the most demanding harvest.

QUALITY & CONSISTENCY

Large-Commercial Scale

Harvest size: ~100+lbs

Start with Tandem scale up to Triple

DETAILS MATTER.

- 304 stainless steel tumbler to mitigate risk of contamination
- Nitrided steel blades increase strength and resistance and decrease buildup
- Minimal handling >1 min in tumbler
- Watertight electrical and motors allow for a complete high-pressure washdown
- Wheels allow for easy transport whether indoor or outdoor

RUN IN LINE TO SCALE
