BATCH STYLE DRY TRIMMING

QUALITY & CONSISTENCY

Built with cultivators who prefer dry trimming and a batch style workflow in mind, the brand new BatchOne trimmer offers industry leading throughput and quality trim, all in one mobile unit. We understand that cannabis is your craft which is why we focused on all the little details that matter: producing a great trimmed product, intuitive user experience, simple cleaning and no-nonsense portability.

DETAILS MATTER.

- Trim up to 88 lbs dry / hour
- 1/4 HP motor prevents stalling during your batch
- Ultrafine saddle adjustments for industry's tightest batch trim
- Fits through standard doors as narrow as 32" with removable control box
- Removable control box allows full washdown without the risk of damaging electronics
- 360 degree rotating, locking casters for easy maneuverability
- Food grade, stackable and nestable trim bins capture your trim and allow for simple storage
- Easy loading and unloading with 5 position pivoting system
- Designed to conform with CSA & UL
